

Our Mission: Friends of Taylorsville Lake State Park is a non-profit 501(c)(3) organization with the purpose of enhancing, promoting, advocating, and cultivating multi-purpose recreational activities of the natural resources at Taylorsville Lake State Park, in Spencer County, Kentucky.

FTLSP has been working hard to enhance the Park amenities and bring more visitors to the County.

We're asking for your support.

Please help us in these efforts by sponsoring a hitching post at the Equine Campground.

For just \$300 (1 year) or \$500 (2 years), your company or organization name can be displayed at Taylorsville Lake State Park, alongside your sponsored hitching rail!

Please consider a cash donation in support of this, or any of the FTLSP projects. All benefit our community, the Park and its guests.

— Thank you from the FTLSP Board!
